Step 2: Put into small teapot, cup or press.

Step 3: Pour freshly boiled filtered water over tea.

Step 4: Steep for desired time and remove tea or plunge.

Step 5: Add sugar or milk to taste.

3 SERVINGS

STEEPING TIME

Mild: 2-3 minutes

Medium: 4-5 minutes

Strong: 6-7 minutes

WE RECOMMEND 4-5 MINUTES

NOTES:

- Over-brewing may make tea bitter (this happens with high quality tea).
- Interestingly the longer you brew tea the more antioxidants are released.
- Black teas may turn cloudy if left to sit and cool or iced. This is normal, and a sign of high quality tea.
